OBJECTIVES:

Software Test Engineer with 3+ years of experience in Networking & Telecomm domain at Amdocs, specializing in both automation and manual testing. Proven expertise in designing and implementing automated testing solutions to enhance coverage and reduce testing time. Committed to driving software quality excellence through meticulous testing and Agile methodologies.

PROFESSIONAL EXPERIENCE:

Amdocs Pune, India.

January 2022 - Present

Software Test Engineer

Project : BSSE(Network cloud)

- Over 3 years of experience in Software Testing in analysis and design and End-to-End Manual Testing and knowledge of Automation Testing of Client/Server and web-based applications.
- Proficient in Software Development Life Cycle (SDLC) and Testing Life Cycle (STLC), with hands-on experience in various Testing Methodologies.
- Conducted comprehensive test execution, including Smoke Tests, Regression, Progression, and functional test case execution.
- Delivered high-quality solutions according to business requirements, ensuring timely delivery with appropriate quality standards.
- Experienced with Bug Tracking tools, including QC/ALM and I-Track, for managing and prioritizing defects.
- Proficient in API Testing using tools like SoapUI and Postman.
- Ability to work independently or collaboratively in a team environment, effectively prioritizing tasks and managing time.
- Quick adaptability to new technologies and tools for improved testing efficiency and effectiveness.
- Actively participated in Agile development processes, including Sprint Planning, Daily Stand-ups, and Functional Test Case Walkthroughs.

TECHNICAL SKILLS:

- Tools : Soap UI, Postman, Ginger, Selenium web driver.
- Programming languages: SQL, Core Java, Python.
- Defect Tracking tools : Octane and I-Track.
- Testing : Manual, Regression, Progression, API, Test cases.
- Management : Project Management, Team Player, Self-Motivate, and Strong communication skill.
- Agile Methodologies.

PROJECTS:

Project 1 AT&T

Period : Nov 2023 -Till date

Domain: Telecom

Roles & Responsibilities:

- Performed various testing activities like functional testing, regression, progression and smoke testing.
- Performed API testing using Postman and SoapUI for validating application workflows.
- Identified defects and ensured the delivery of a bug-free, high-quality product.
- Utilized I-Track for defect management, including testing and re-testing of defects.

Project 2 PLDT

Period : April 2023 -Oct 2023

Domain: Telecom

Roles & Responsibilities:

- Executed test cases using CSP and HSTK applications to ensure accurate functionality.
- Created Service Orders and performed End-to-End testing.
- Conducted test execution, defect reporting, and collaborated on defect resolution.
- Utilized ALM for defect management, test case uploads, and test tracking.
- Performed UI validation using CSP and FUSE API for consistent application behavior.

- Contributed as a team member, understanding wrap-around development and testing processes.
- Actively participated in daily Scrum meetings to discuss test case updates and progress.

Project 3 **Comcast**
 Period : Jan 2022 -March 2023
 Domain: Telecom

Roles & Responsibilities:

- Performed Regression and Progression scenarios to validate application functionality.
- Performed Sanity Testing, Defect Retesting, and Scenario Validation to ensure quality.
- Utilized Ginger Automation Tool partially to execute scenarios.
- Managed defects using Octane, including bug logging, tracking, and resolution.
- Executed test scenarios using CPQ and OSO applications.
- Knowledgeable in executing test scenarios using CRM applications.
- Actively took part in Scrum meetings to discuss project progress and testing updates.

EDUCATION:

Bachelors of Technology :	UCET, MG University (CGPA 7.47/10)	2017 - 2021
Intermediate :	Government Junior College (86.6/100%) (State Board of Intermediate Education)	2015 - 2017
S.S.C :	Sri Saraswathi Vidya Mandir High School (CGPA 9.0/10) (State Board Of Secondary Education)	2004 – 2015

CERTIFICATIONS:

- Software testing Skills from QSPIDERS reputed Institute.

DECLARATION:

Hereby I declare that all the statements made in this resume are completely true and I will produce original documents when required.

Place : Hyderabad
